

FISCAL NOTE

HB 589 - SB 685

March 21, 2005

SUMMARY OF BILL: Establishes minimum safety standards for integrated architectural components of any educational or recreational facility of a church in any area where no building codes have been adopted. Authorizes appeals to be heard in Chancery court of the county in which such church is located in the event the Board of Building Code Appeals ceases to exist and in the absence of any other board designated to hear appeals.

ESTIMATED FISCAL IMPACT:

Increase State Revenues – Not Significant
Increase State Expenditures – Not Significant

Increase Local Govt. Revenues – Not Significant
Increase Local Govt. Expenditures – Not Significant

Assumption:

- Some increase in cases in the court system which will result in additional state and local government expenditures for processing cases and additional state and local government revenues from fees, taxes and costs collected. However, such increases will not be significant.
